

Rhode Island Chapter

INCORPORATED IN RHODE ISLAND

American Academy of Pediatrics

DEDICATED TO THE HEALTH OF ALL CHILDREN®

SAVE THE DATE: Thursday, March 23rd
Special opportunity for RIAAP Members to attend
the pediatric portion of the RI Primary Care Conference at no cost!

Dear RIAAP Members,

Thanks to a generous grant from Care Transformation Collaborative of RI, we are pleased to offer our members the opportunity to attend the pediatric portion of The RI Primary Care Conference at no cost. We coordinated the incorporation of two pediatric focused topics at the end of the first day of the conference to make it as convenient as possible for our members to attend. Following the pediatric talks, attendees are invited to head across the street to Snookers for a post-conference social hour. If you would like to pay to attend one or two days of the broader RI Primary Care Conference, please see their full flyer for more information and registration.

Please use this **RIAAP members only** registration link to sign up – Don't delay, limited free registrations available!
